

## Introducing a new book from best-selling author Lisa Steadman:

### **If He's Not the One, Who Is?: What Went Wrong and What It Takes to Find Mr. Right**

(Polka Dot Press, January 2010, ISBN-10: 1-60550-358-4, \$14.95 US, \$17.99 CAN) is a sequel to Lisa's previous best seller, "It's a Breakup, Not a Breakdown," which she wrote after enduring a heart wrenching breakup herself five years ago. With a captivating, fun writing style, Lisa shares all the things someone should have told you when you were in high school to save you from years of wasted time crying over the wrong guy and feeling desperate to find the right one. This book is written from the perspective of a woman who is now happily married and busily writing about relationships and teaching other women how to heal their hearts and go from "BooHoo" to "WooHoo," which she does through her articles, blog,

teleseminars and YouTube Channel.

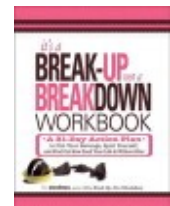

This book includes:

- exercises and quizzes to assist the reader in learning from her past and getting clear about her life, leading up to the million dollar question: "Is he Mr. Next or Mr. Right?"
- common pitfalls women fall prey to in relationships
- how to get unstuck, types of men to steer clear of
- practical advice for how to date

Chapters include:

- Fairytale Do Come True (And Other Lies Your Mother Told You)
- The Million-Dollar Question
- Why You're Really Still Single
- Don't Be That Girl: Dating Personas That Can Sabotage Your Success
- Men Behaving Badly: Dating Jerks to Steer Clear Of
- and many more
